TVORIVÝ ZOŠIT

POROZPRÁVAJ ČO VIDÍŠ NA OBRÁZKU. O AKÉ ROČNÉ OBDOBIE IDE?

SPIEVAME S MICI A MŇAU

Poznáte zajka, čo vždy krčí nos?
Farbieva vajká detom pre radosť.

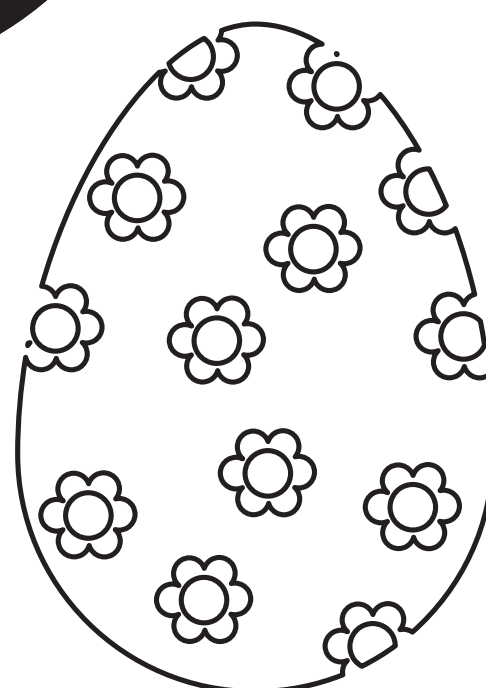

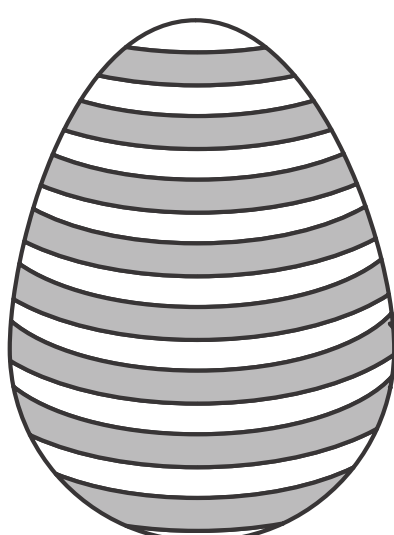

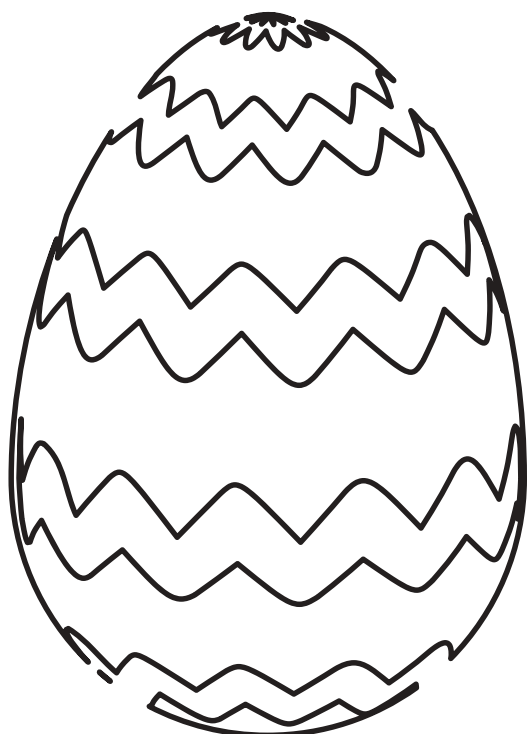

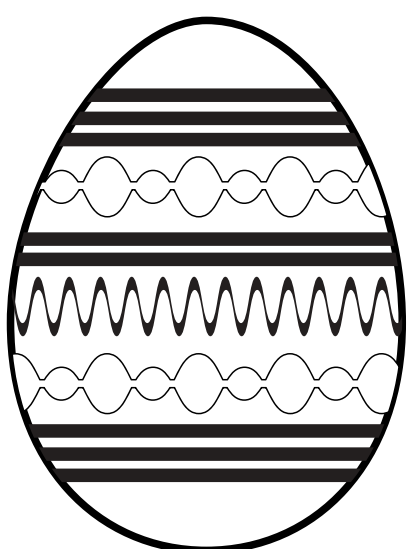

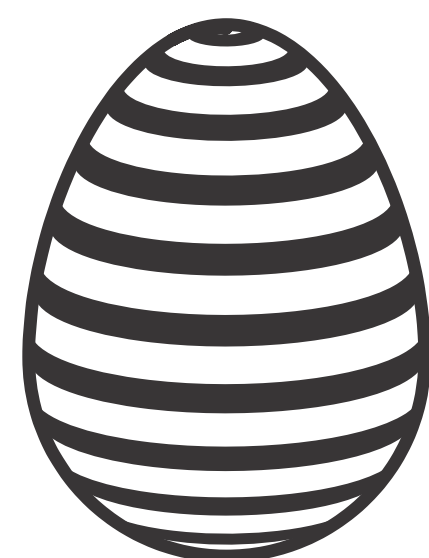

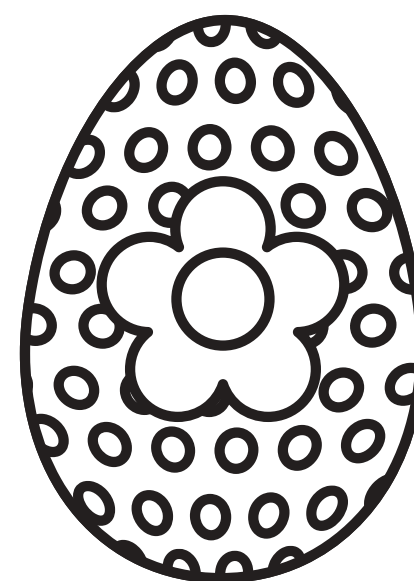

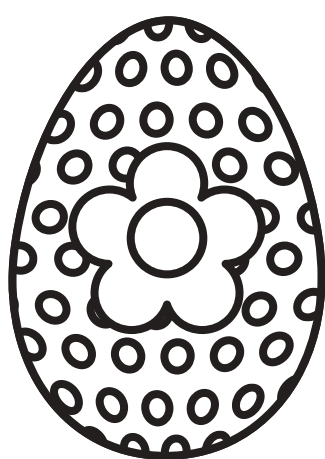

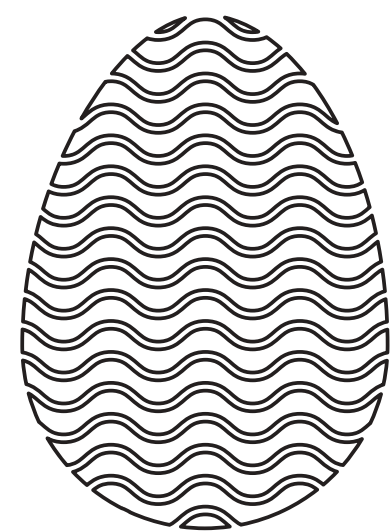

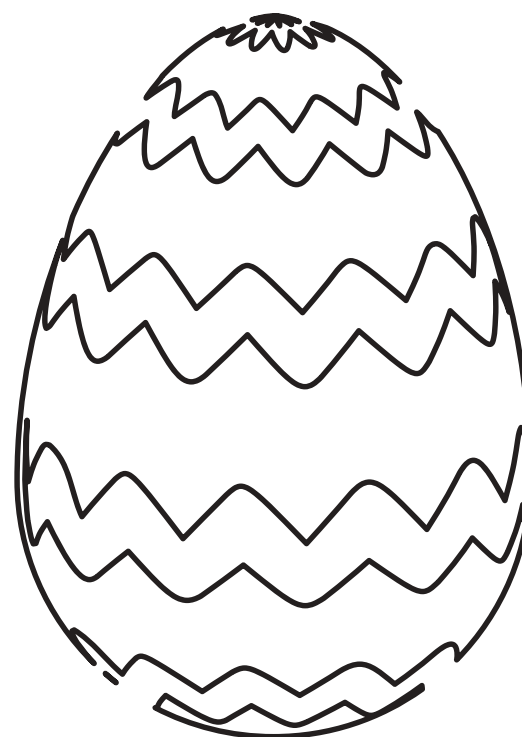

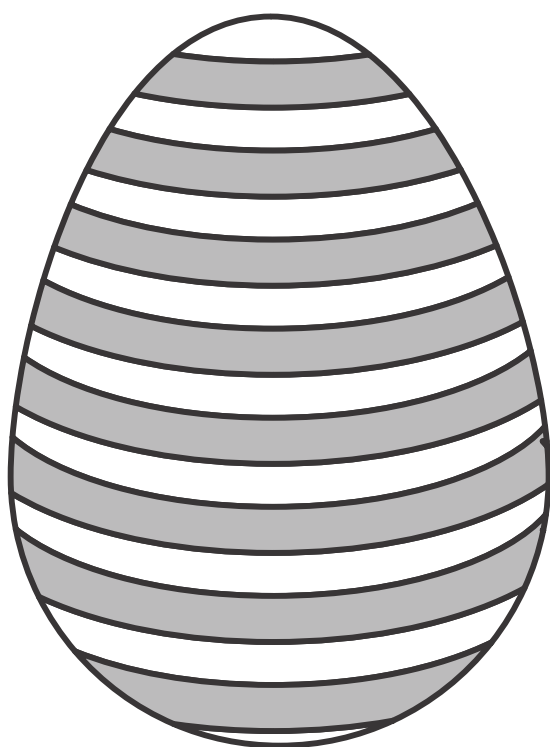

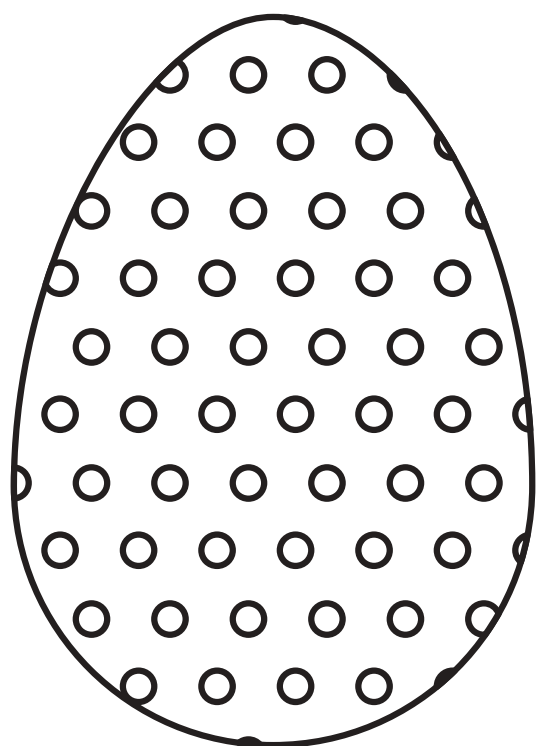

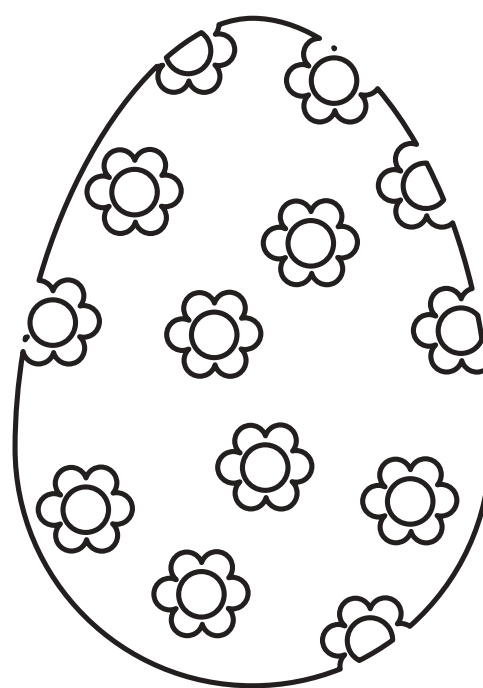

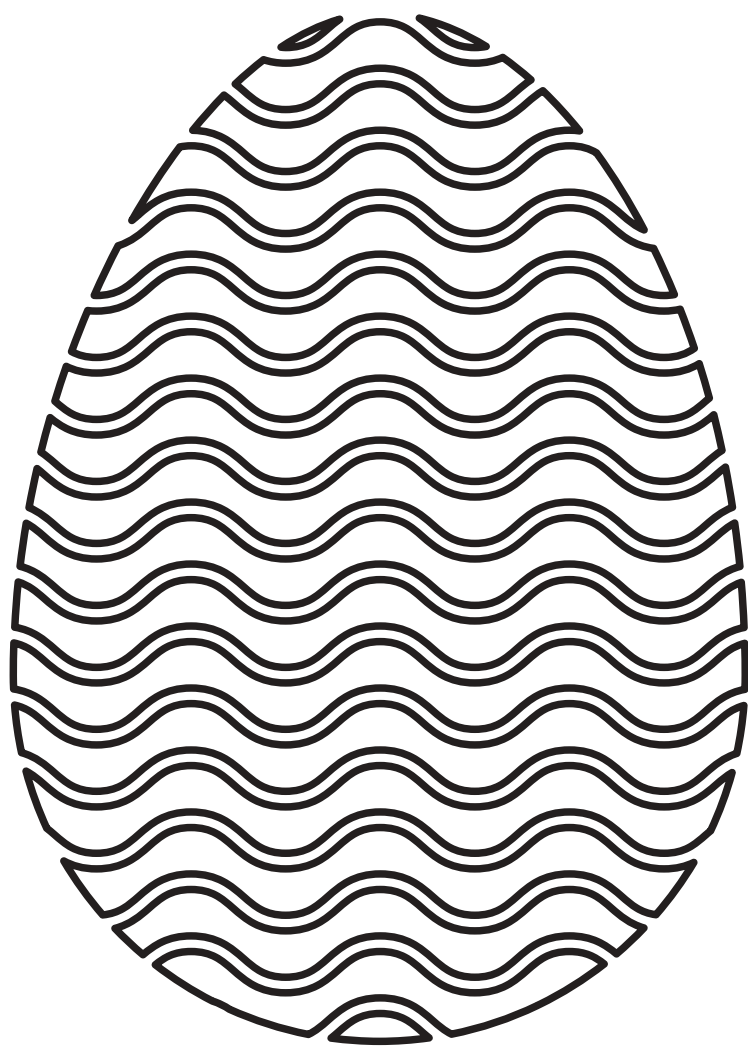

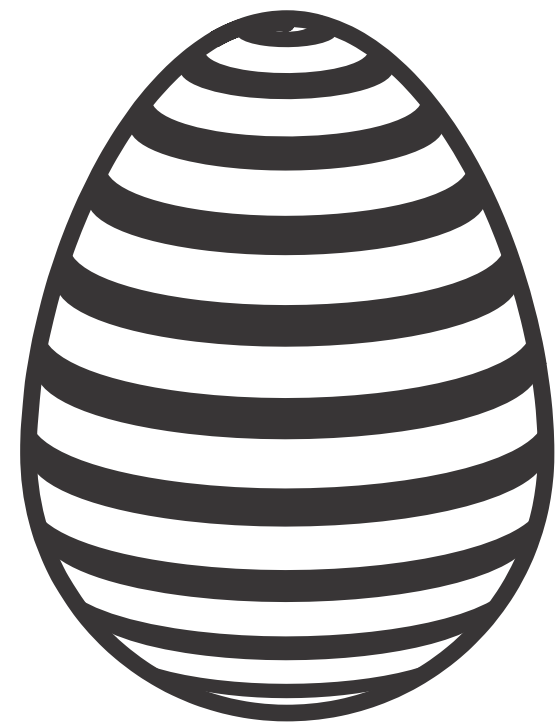

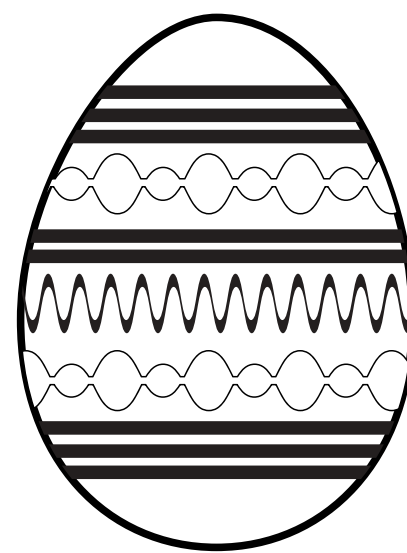

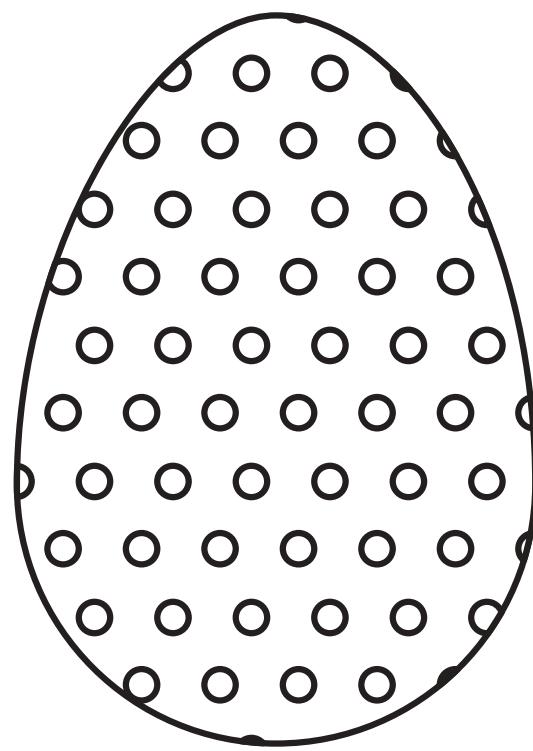

A u nich doma všetci spolu
chodia na maliarsku školu
a zajačí šlabikár
učia sa tam každú jar.

Zajkovie mamka mieša farbičky,
zajkovie ocko plní mištičky.

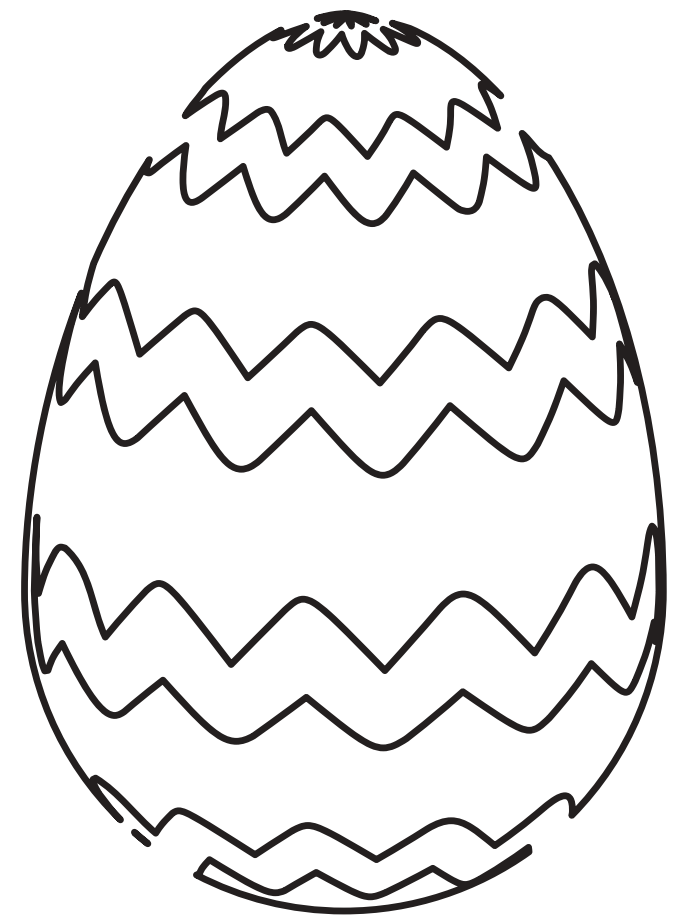

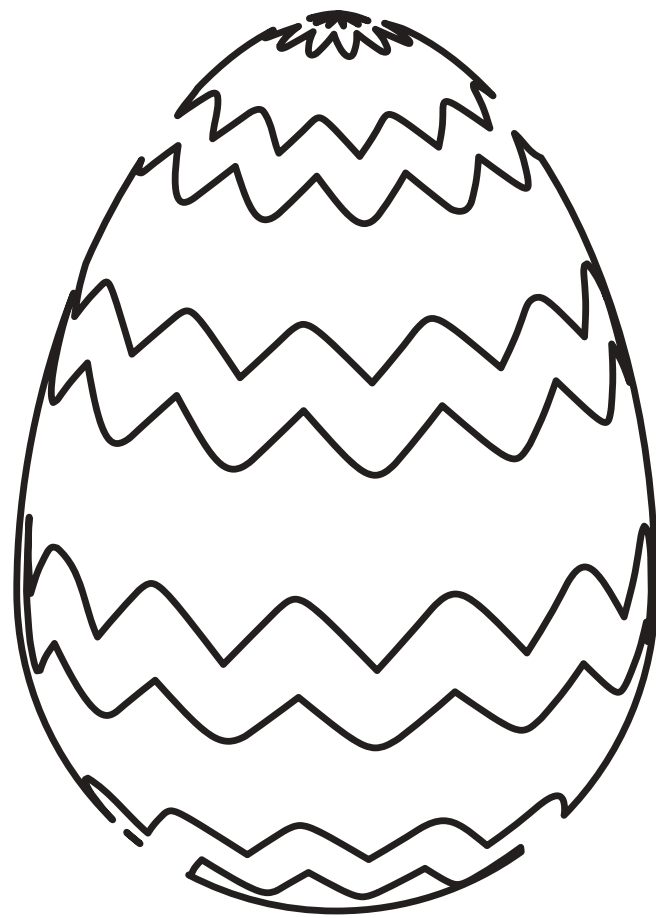

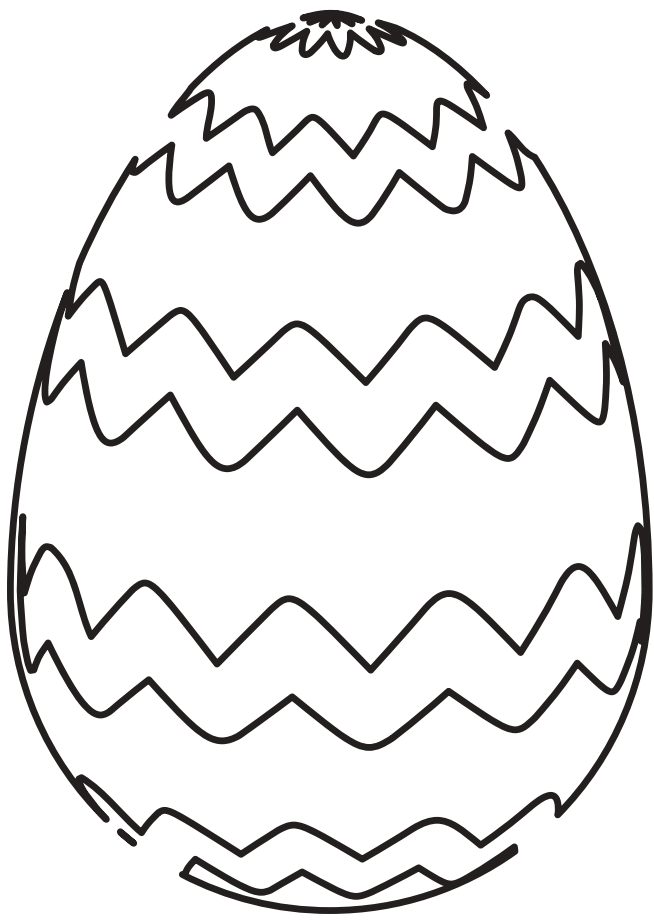

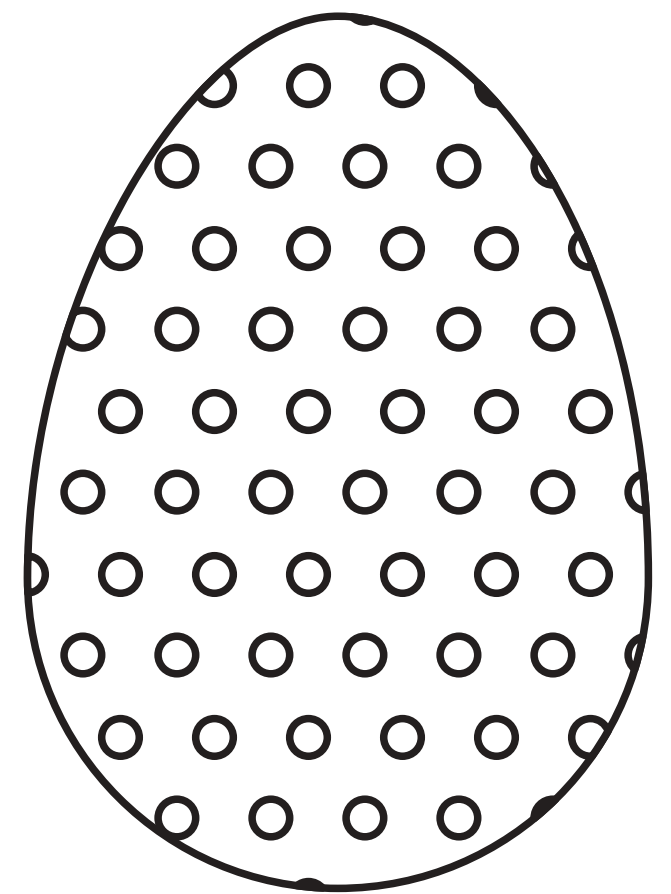

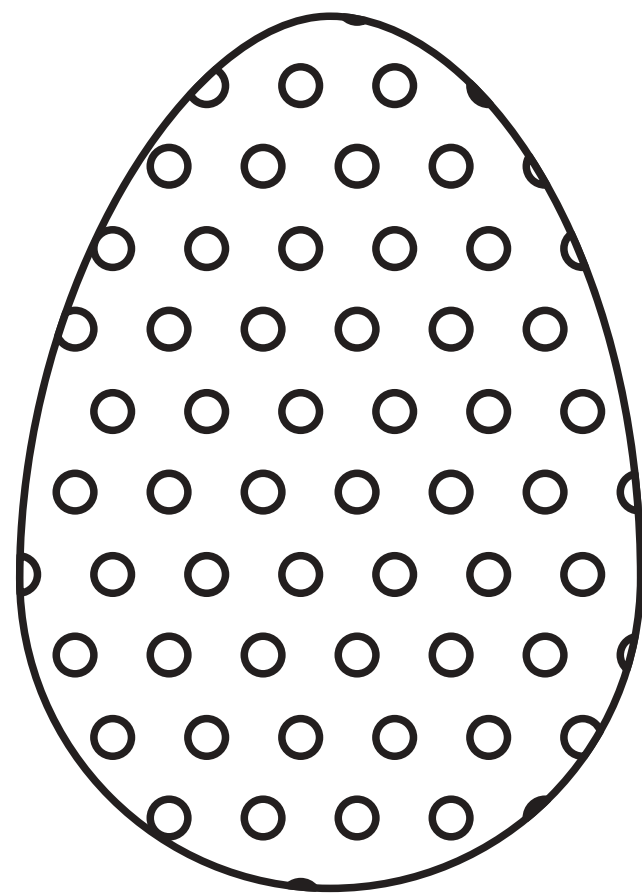

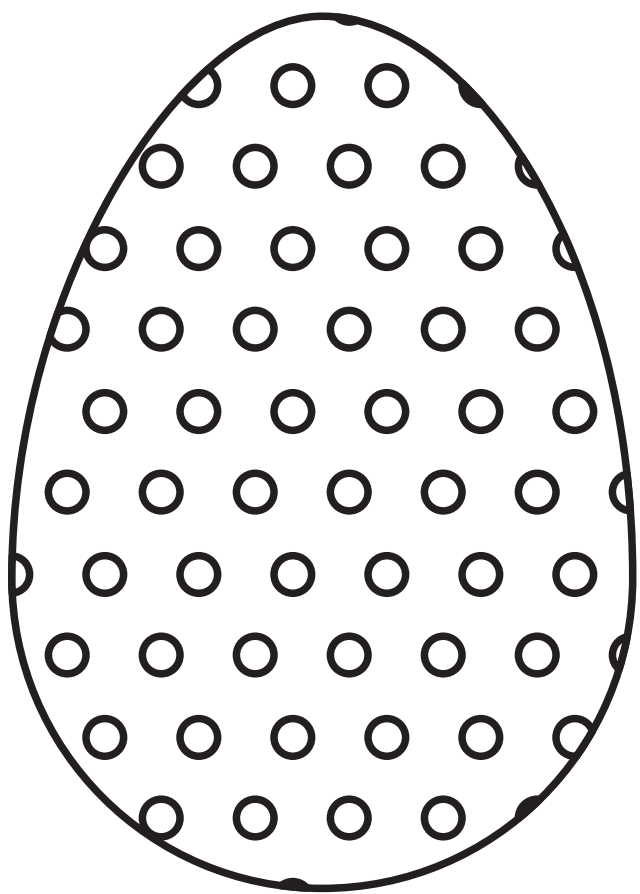

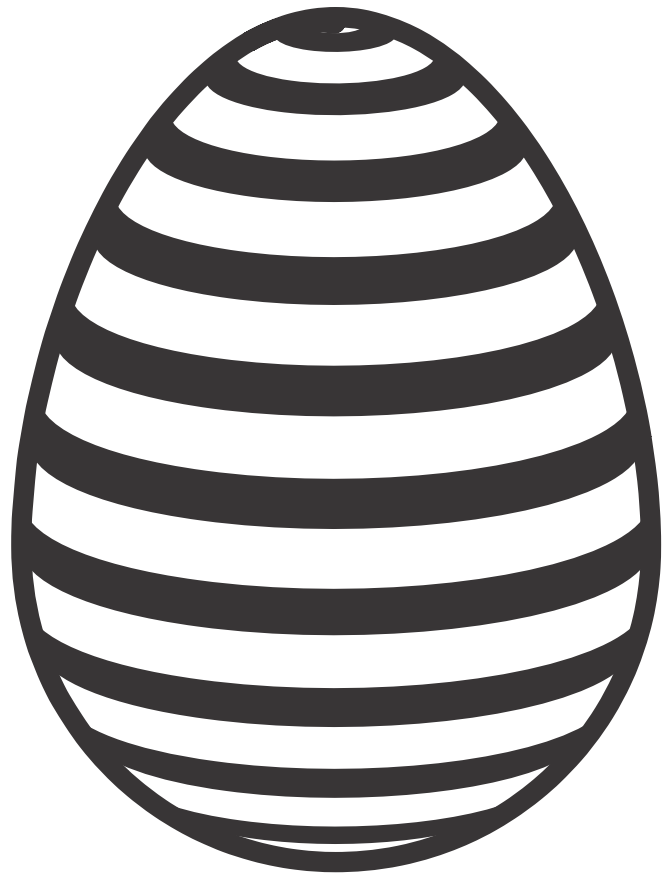

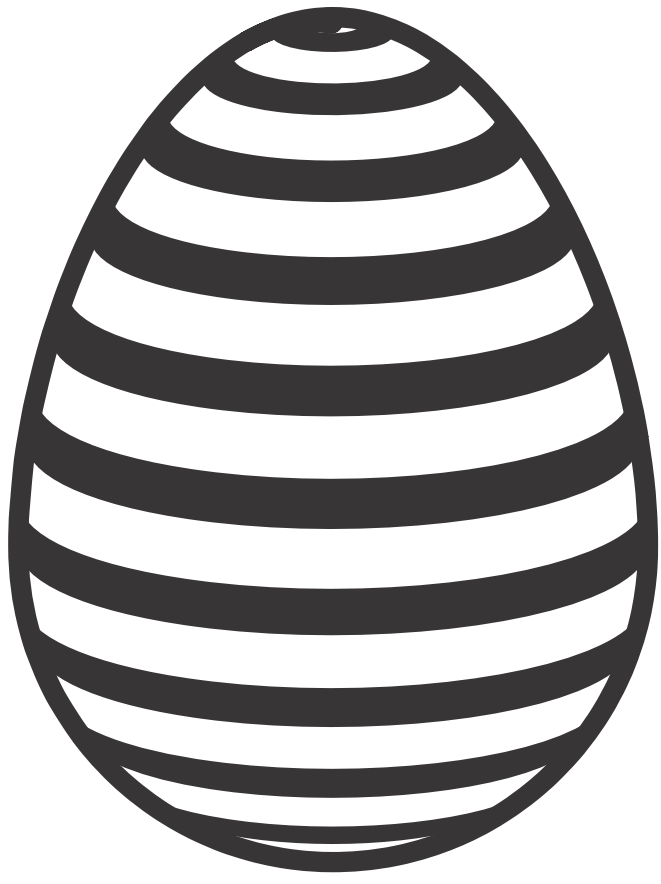

A malá sestra varí slíže,
malý braček štetce líže,
velká sestra, ktorá prišla,
všetkým vzorky vymýšľa.

Tak farbí vajcia celá rodina,
keď kvitnú kvietky a jar začína.

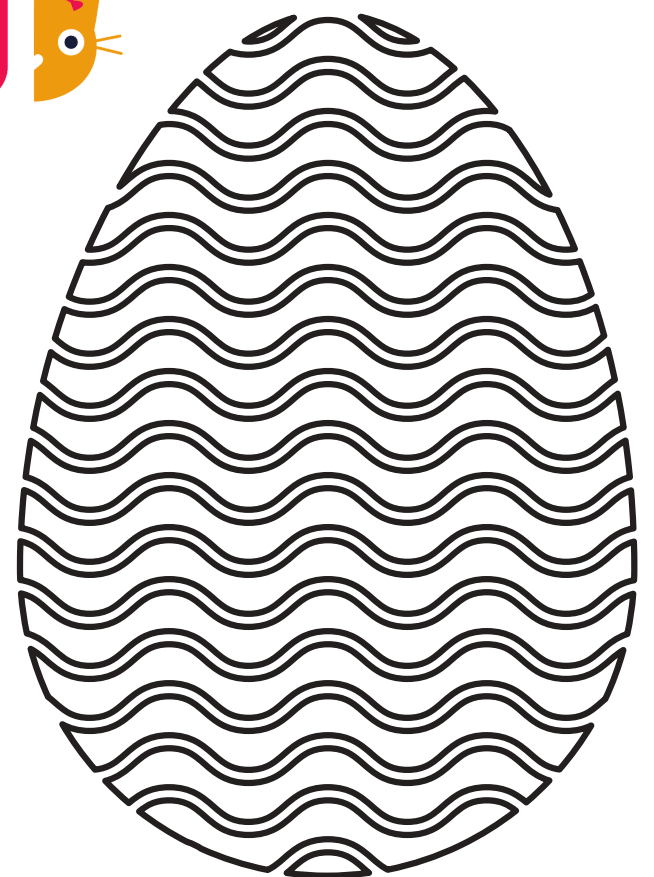

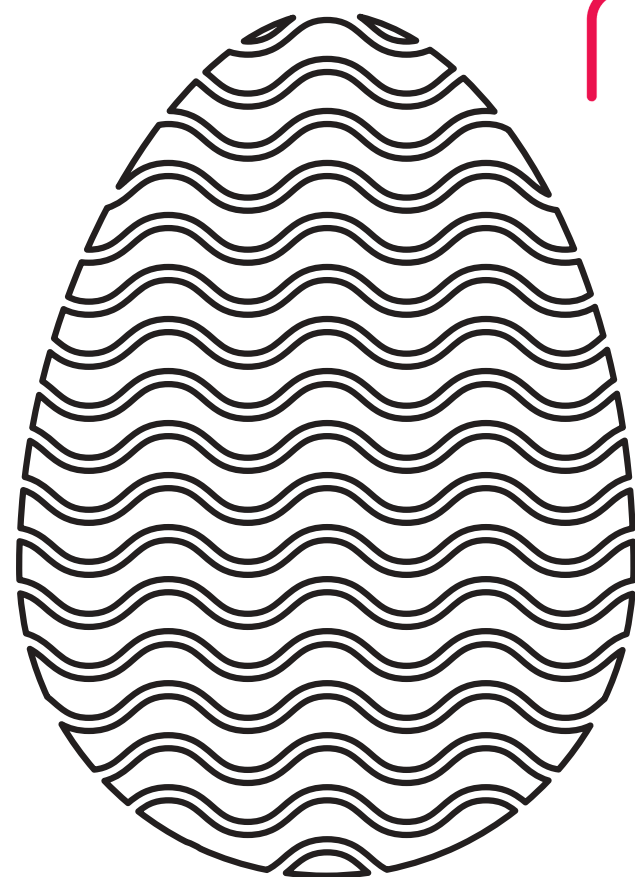

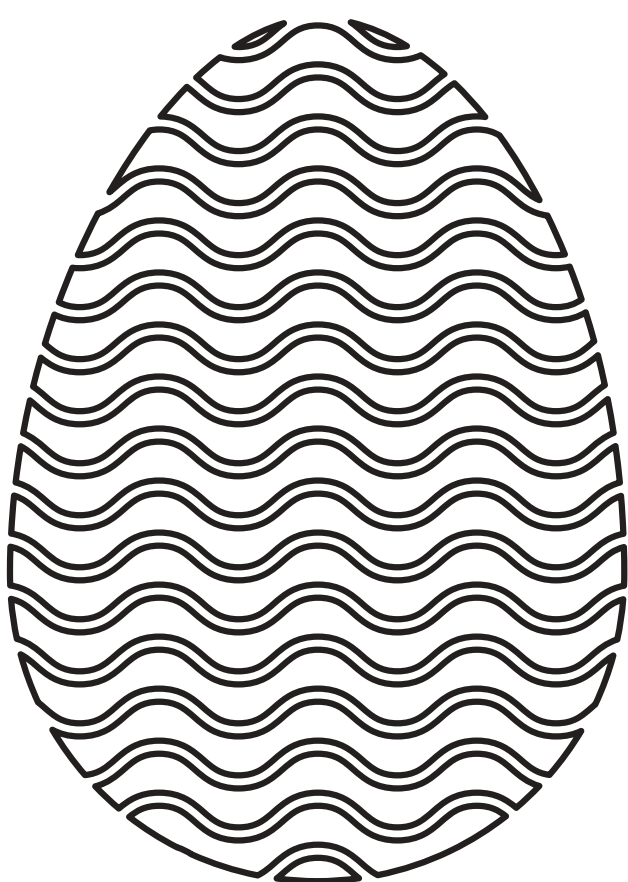

A všetky štetce, všetky labky
malujú, veď čas je krátky,
aby bolo vajec dost,
všetkým detom pre radosť!

Relaxačná hra

Rodič jemne masíruje loptičkou chrbát dieťaťa pohybom odhora dolu a naopak a popritom hovorí básničku. Keď dieťaťu stačí, vymenia sa a dieťa masíruje chvíľku rodiča. Dieťa získava pocit, že aj ono môže rodičovi niečo príjemné len tak darovať.

Ukáž mi svoj chrbátik,
loptou urobíme trik.
Zrazu sa ti gúľa zhora
prvá lopta do ružova.
Potom sa ti gúľa zdola
druhá lopta fialová.
Potom sa ti gúľa zhora
tretia lopta do zelena.
Potom sa ti gúľa zdola
štvrtá lopta do červena.
A takto sa striedajú
chrbátik ti
hladkajú.
